Dear Maranatha Baptist Church,

I stated in our newsletter this month about our troubled times that we are facing. As a nation, our most pressing problem has never been the economy, the military, our financial institutions or our educational system. The problem has always been and always will be spiritual.

Washington has never been the answer. It has always been a cheap substitute and a artificial help. As followers of Jesus Christ, we know of a certainty that "Christ Is The Answer".

Because of your giving to this work and ministry, we have the opportunity to proclaim to those in our homes that Jesus Christ is indeed the answer. Every gift that we receive is not taken for granted, it is much appreciated.

Words on paper cannot accurately express our heartfelt gratitude. May God richly bless you for your contribution for "the lost, the least and the lonely".

Until He Comes,

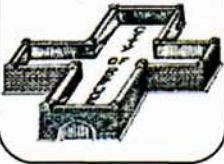

Bro. Cowger

## From the Pastor's Desk

I think it is accurate to say that we are living in a day of crisis. The stock market continues to fall, housing foreclosures continue, unemployment is increasing, and people are losing their retirement funds and their "nest eggs."

Faith-based ministries, such as ours, are not immune to our failing economy. I am reminded during the days of Isaiah when king Uzzian died. His death produced a panic throughout the nation. He had led his nation to days of material prosperity, a strong military, and developed a healthy commercial state. Upon the king's death, when the nation was fearful about its future, the prophet Isaiah goes to the temple. While there, the Lord manifested Himself to Isaiah in all His splendor and glory. And where was the Lord? Isaiah said, "I saw him sitting upon a throne." The Lord has never vacated His throne. He is still our sovereign God.

Though times around us are turbulent, our God above us is still in control. The Psalmist said, "The Lord reigneth..." Oh the comfort this precious truth brings to our hearts.

May the Lord bless you with His peace and His presence equipping you with His trustworthy promises.
